ALL-TERRAIN

NON-BINDING TOW BARS

Our premium line of tow bars, with the exclusive Freedom Latch™, patented storage latch, and built-in cable guides.

No more binding!

Releasing your towed car is easy with ROADMASTER's All Terrain tow bars... even when the tow bar is at a hard angle or the towed car is out of level. Four familiar and classic ROADMASTER tow bars: StowMaster, Falcon, BlackHawk 2 and Sterling – are available in the All Terrain Series. Each is upgraded with ROADMASTER's exclusive Freedom Latch, which releases the tow bar at any angle, level or bind – first time, every time.

After all, who's on vacation here – you, or your tow bar?
